What's it like being a Boy Scout? Well, how does adventure, having fun outdoors, making new friends, and becoming a leader sound? What about going on float trips? Skiing? Hiking? Well, that's what Scouts is all about! This Boy Scout Troop is a boy-led organization, which means that the boys themselves lead the meetings and run events. It also means that our calendar is full of exciting trips and activities which are sure to be action packed! Boy Scout Troop 702 is based out of Broadway Christian Church. We meet Monday nights from 7:00 pm-8:15pm to work on rank advancement and to plan our next adventure.
